In the folk songs there's a sense of right and wrong In the mu-si-cals the he-ros have the best songs. In the fai-ry tales things
come right in the end and in the mo-vies the bad guys ne-ver, bad guys ne-ver, bad guys ne-ver win. But in real life things are dif-
-erent. The crooks are in con-tro-ol. They are free to rig the ra-ces for more pow-er is their go-al. **V2** Oh where is
Ro-bin Hood to give hope to the poor? Where's Ju-lie Andrews to melt hearts cold to the co-ore? And the Fai-ry God-moth-ers where
are their ma-gic wands? In our hour of need where the hell is where the hell is where the hell's James Bond? But we know that they aren't co-

- ming. There is no ma- gic wa- -y To de- feat those gree- dy o- - li- garchs Shall we just sit back and pra- -y? **V3** Let's stand to-
 ge- ther coun- ter all their lies. What war on ter- -ror? they just want to close our eyes to the ex- ploi- ta- a- tion of
 ter- -ror? They just want to close our eyes to the ex- ploi- ta- ti- on of
 peo- ple and the earth but we can fight ba- ck We won't be trea- ted like won't be trea- ted like won't be trea- ted like serfs, like serfs, like
 serfs, serfs, serfs and we'll send those crooks a- pack- ing **V4** There'll be new folk songs how we righ- ted all those wrongs And brand new
 mu- si- cals ev- en the bad- dies have some good songs. Just like the fai- ry tales to- ge- ther we can win in the end and in the
 mu- si- cals bad- dies can have some fai- ry tales
 mo- vies our chil- dren will see how things used to be in a world ruled by greed and fear
